Ceded

The Company has all of its reinsurance through Grinnell Mutual Reinsurance Company (the reinsurer) under a single contract for fire, wind and liability risks.

The individual occurrence of loss section of the agreement covers fire and wind risks. The Company retains \$100,000 per loss occurrence, and the reinsurer is liable for the excess. The reinsurer's limits are \$500,000 on dwellings, livestock operations and commercial property and \$750,000 on farm outbuildings. Risks in excess of these limits are eligible for facultative coverage under the agreement. The premium rate in 2003 for the individual occurrence coverage was \$.1467 per \$1,000 of adjusted gross fire risks in force.

The reinsurer is liable for 100% of losses in excess of this

retention. The attachment point for 2003 was \$489,790, and the annual premium rate was \$.5561 per \$1,000 of adjusted gross fire risks in force.

Under the comprehensive personal liability and farmers comprehensive personal liability section of the agreement, the Company cedes 100% of liability risk and premium to the reinsurer and receives a 25% ceding commission.

The Company is contingently liable for all reinsurance losses ceded to others. This contingent liability would become an actual liability in the event that any assuming reinsurer should fail to perform its obligations under its reinsurance agreement with the Company.
